About One-Time Password (OTP)

To prevent access by unauthorized users, an OTP is required when accessing from a different environment than the first time you accessed the usage site.

Example 1: After checking the display on a computer, displayed it on a mobile device when actually using it

Example 2: Changed the mobile device that opened the usage site

E-ticket

One-time password

Your access environment has changed.
For security protection, a one-time password
will be sent.
Please register your email address to receive
the one-time password.

Submit

① Please enter a valid email address and send it.

② Please confirm the OTP. Check your email. If you do not find it, please check your spam folder. If it's not in spam either, please verify that the email address is correct. Reopen the usage site and start over by entering the email address again if needed.
