▪ Usage Environment Explanation

◇ If multiple tickets are purchased in a single reservation, **please use one device. The maximum number of tickets per reservation is four.**

◇ Please switch the language on the ticket list page before use.

◇ Please disable the automatic translation feature of your browser.

◇ Recommended environments for digital tickets:
iOS 15 or later / Latest Safari, Android 10.0 or later / Latest Chrome

*Even in the recommended viewing environment, there may be instances where it cannot be used depending on your device and usage conditions.

◇ Please disable dark mode.

◇ Screenshots of the QR code cannot be used for entry.

◇ If you open the URL directly from the app, it may not function correctly. Please use the recommended browser.

Language Switching

Please switch on the ticket list page.

About One-Time Password (OTP)

To prevent access by unauthorized users, an OTP is required when accessing from a different environment than the first time you accessed the usage site.

Example 1: After checking the display on a computer, displayed it on a mobile device when actually using it

Example 2: Changed the mobile device that opened the usage site

E-ticket

One-time password

Your access environment has changed.

For security protection, a one-time password will be sent.

Please register your email address to receive the one-time password.

Submit

① Please enter a valid email address and send it.

② Please confirm the OTP. Check your email. If you do not find it, please check your spam folder. If it's not in spam either, please verify that the email address is correct. Reopen the usage site and start over by entering the email address again if needed.
