Language Switching

Please switch the language on the ticket list screen.

The screenshot shows the LINKTIVITY app interface. At the top left is the LINKTIVITY logo with the tagline "Link The Activity". In the top right, the word "English" is displayed next to a globe icon, enclosed in a red rectangular box. Below this, the booking ID "Booking PRIVATE-20240927-EEZ6" is shown. The main content area features the MEITETSU logo. Below the logo, there are three ticket items, each with an expiration date, a "Not yet used" status, and a right-pointing arrow. The first item is "Railway and Bus Common Ticket", the second is "Exchange Voucher for Admission to National Treasure Inuyama Castle - Adult (Age 12 & up) x 1", and the third is partially visible. At the bottom of the ticket list is a "Reservation details" button. The bottom of the screen shows a mobile browser address bar with "t.linktivity.io" and a home indicator bar. To the right of the main app screenshot, a grey arrow points from the "English" button to a language selection menu. This menu lists "日本語" (Japanese) at the top, followed by "English", "简体中文" (Simplified Chinese), "繁體中文" (Traditional Chinese), and "한국어" (Korean).

About One-Time Password (OTP)

To prevent access by unauthorized users, an OTP is required when accessing from a different environment than the first time you accessed the usage site.

Example 1: After checking the display on a computer, displayed it on a mobile device when actually using it

Example 2: Changed the mobile device that opened the usage site

E-ticket

One-time password

Your access environment has changed.
For security protection, a one-time password will be sent.
Please register your email address to receive the one-time password.

Submit

① Please enter a valid email address and send it.

② Please confirm the OTP. Check your email. If you do not find it, please check your spam folder. If it's not in spam either, please verify that the email address is correct. Reopen the usage site and start over by entering the email address again if needed.
